Subject: [External] Dominion Energy –Comment for Docket No. 2023-9-E

Hello,

As a South Carolina resident and Dominion customer, I urge you to plan and advertise public hearings about the Dominion long term Integrated Resource Plans (IRP's). This impacts South Carolinians on various levels and the public should be aware of the plans and have the chance to provide input.

Thank you for taking swift action to address this issue.

Sincerely,

Kimberly McGuire
